

COURSE INFORMATION

CPC30320

CERTIFICATE III IN CONCRETING

Work towards becoming a qualified concreter.

Concrete workers will learn how to prepare for, place, finish and cure concrete. This includes concreting operations for all types of construction jobs including domestic, commercial, industrial and public buildings. You will also develop your knowledge about the industry by learning about different types of cement and concrete mixes.

IS THIS COURSE FOR YOU?

Enrolment checklist

- You are currently working in the building and construction industry and have been registered or are intending to be registered in a NSW Concreting Traineeship.
- You are over 15 years of age (if you're under 18, your parent or guardian must sign the enrolment form on your behalf)
- You are able to attend the scheduled training sessions as per the timetable agreed with your employer
- You hold a White Card which is required before you step on to a building and construction site.

REAL BENEFITS

- Choose your career path
- Flexible workplace training conducted on the job, scheduled in conjunction with you and your employer
- Gain a nationally recognised qualification
- Learn new skills
- Gain confidence and improve your employment opportunities
- Gain an advantage in today's competitive workforce
- Graduate with a respected qualification within an industry with strong employment rates and excellent job prospects.
