Please note:

* This training is funded by the Queensland Government.

The User Choice program provides a public funding contribution towards the cost of training and assessment for eligible Queensland apprentices and trainees.

** User Choice Student Co-Contribution Fees are detailed at unit level on the page below. This is the total cost to the student. These fees may be paid on behalf of the student by their employer or a third party unrelated to CWBTS, but cannot be paid or waived by the CWBTS (whether directly or indirectly), unless approved in writing by the department. Students are exempt from student co-contribution fees for units granted CT. Where CT are granted this will reduce the nominal hours and Student Co-Contribution payable by the student. Students may be eligible for a fee exemption.

***Under the Free apprenticeships for under 21s initiative and the Free apprenticeships for under 25s initiative, eligible students are not required to pay a co-contribution fee. The student contribution fee will be met by the department. Eligibility criteria apply.
